

## **To The Father**

### **Verse 1**

Shepherd of many souls  
You seek the hurt and lost  
Angels rejoice you've found this broken life

We bring an offering  
Your praises we will sing  
Thankful this sinner's heart has been redeemed

### **Verse 2**

Jesus the servant king  
We long to follow Him  
His narrow path the way the truth and life

Through every circumstance  
We come with thankfulness  
Honoured to serve with joyful hearts as one

### **Verse 3**

Yours is a higher way  
Your kingdom ever reigns  
All will be brought to light that glorious day

We long to see your face  
Majesty clothed in grace  
Hope leads us on in strength we run the race

### **Chorus**

Heavenly Father we come  
We seek your will your kingdom your love  
Through Jesus your Son  
We sing your praise because of your Grace  
We cry out as one  
To the Father through the Son  
He has made a way
